Exhibit 99.1

IEH CORPORATION FILED FORM 10-Q FOR FISCAL QUARTER ENDED JUNE 30, 2026

Brooklyn, NY., August 7, 2026 - IEH Corporation (OTCQX: IEHC) today filed with the Securities and Exchange Commission (SEC) its quarterly report on Form 10-Q for the 1st quarter of Fiscal Year 2027, which ended June 30, 2026.

Highlights include:

- **Record Revenue of over \$10M, an increase of 59% as compared to the first quarter of Fiscal Year 2026**
- **Highest Gross Margins in 5 years**
- **An Operating Profit of \$664,802, an improvement of \$1,420,108 compared to the first quarter of Fiscal Year 2026**
- **Backlog of nearly \$40M, the highest in Company history**

For the quarter ended June 30, 2026, IEH had revenues of \$10,021,446 as compared to \$6,308,155 for the quarter ended June 30, 2025, reflecting a 59% increase; an operating profit of \$664,802 for 1st quarter fiscal year 2027 as compared to an operating loss of \$755,306 for 1st quarter fiscal year 2026; net income of \$654,466 for 1st quarter fiscal year 2027 as compared to a net loss of \$654,618 for 1st quarter fiscal year 2026; and a basic gain per share of \$.26 for 1st quarter fiscal year 2027 as compared to a basic loss per share of \$.27 for 1st quarter fiscal year 2026.

Dave Offerman, President and CEO of IEH Corporation commented, “By all available metrics, IEH had an outstanding first quarter of Fiscal Year 2027. Our revenue reached an all-time high of just over \$10M, our gross margins nearly doubled from the same quarter last year, and our Operating Income improved by over \$1.4M. Our backlog remains at an all-time high, and we are hiring and adding capacity and equipment to meet the surging demand in the defense, commercial aerospace, space and medical markets we serve. The stabilization in gold prices over the last several months has allowed the r prices increases we implemented over the past year to flow through to our margins earlier than projected. Importantly, our sales pipeline remains strong, heralding continued growth for the rest of this fiscal year and beyond. We look forward to sharing more positive developments in the coming quarters.

On behalf of the management team and staff of IEH, we again wish to express our sincere gratitude for the support of our valued shareholders.”

About IEH Corporation

For over 85 years and 4 generations of family-run management, IEH Corporation has designed, developed, and manufactured printed circuit board (PCB) connectors, custom interconnects and contacts for high performance applications. With its signature Hyperboloid technology, IEH supplies the most durable, reliable connectors for the most demanding environments. The Company markets primarily to companies in defense, aerospace, medical, space and industrial applications, in the United States, Canada, Europe, Southeast and Central Asia and the Mideast. The Company was founded in 1941 and is headquartered in Brooklyn, New York.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

Certain statements contained in this press release, and in related comments by the Company's management, include "forward-looking statements." All statements, other than statements of historical facts, including, without limitation, statements or expectations regarding our financial condition, statements or expectations regarding our revenues, cash and backlog, expectations regarding future cash requirements, revenue and revenue recovery, including for fiscal year 2027 and beyond, projected timelines for making our SEC filings or successfully preventing our registration from suspension or revocation and expectations regarding our efforts and ability to resolve our inventory accounting issues are forward-looking statements. These statements often include words such as "believe," "expect," "estimate," "plan," "will," "may," "would," "should," "could," or similar expressions, although not all forward-looking statements contain such identifying words. These statements are based on certain assumptions that the Company has made on its current expectations and projections about future events. The Company believes these judgments are reasonable, but you should understand that these statements are not guarantees of performance or results, and you should not place undue reliance on any forward-looking statements. The Company's actual performance or results could differ materially from those expressed in the forward-looking statements due to a variety of important factors, both positive and negative, as they will depend on many factors about which we are unsure, including many factors beyond our control. Among other items, such factors could include: any claims, investigations or proceedings arising as a result of our past due periodic reports, including changes in the proceedings related to the SEC's Order Instituting Administrative Proceedings and Notice of Hearing pursuant to Section 12(j) of the Securities and Exchange Act of 1934, as amended; our ability to remediate our inventory accounting issue; our ability to reduce costs or increase revenue; changes in the macroeconomic environment or in the finances of our customers; changes in accounting principles, or their application or interpretation, and our ability to make accurate estimates and the assumptions underlying the estimates; our ability to attract and retain key employees and key resources; and other risk factors discussed from time to time in our filings with the SEC, including those factors discussed under the caption "Risk Factors" in our most recent annual report on Form 10-K, filed with the SEC on June 12, 2025, and in subsequent reports filed with or furnished to the SEC. Additional information concerning these and other factors can be found in our filings with the SEC. All forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by the foregoing cautionary statements. Except as may be required by applicable law, we do not undertake or intend to update or revise our forward-looking statements, and we assume no obligation to update any forward-looking statements contained in this press release as a result of new information or future events or developments. Thus, you should not assume that our silence over time means that actual events are bearing out as expressed or implied in such forward-looking statements. You should carefully review and consider the various disclosures we make in our filings with the SEC that attempt to advise interested parties of the risks, uncertainties and other factors that may affect our business.
